required. Free to all  
jobseekers

**PLEASE NOTE:**

**MassHire offices are currently closed to the public. This event is taking place online at [www.MassHireCentralCC.com](http://www.MassHireCentralCC.com)**

During the **Virtual Annual Fall Job Fair honoring our Veterans**, you will be able to visit “virtual booths” for multiple employers from various industries, which will feature an employer and what jobs they are hiring for.

If you are interested in a job opportunity, you can contact a recruiter from that employer directly through the MassHire Central Career Center website.

If an employer thinks you are a good candidate for their job, they will reach out to you directly during the event to set up next steps in the application process.

**ATTENTION ALL VETERANS!** In addition to early entry into the Job Fair, Veterans will have an opportunity to visit a variety of Veterans service organizations in virtual booths, which will feature the organization and the services they provide, and you can contact a representative directly through the MassHire Central Career Center website.
